March, 2022

Enrollment for the 2022-2023 school year is officially open. If you signed the perpetual registration enrollment form last school year, your child is automatically re-enrolled (provided you are current with all your fees) and **the only parental obligation(after timely renewal of the scholarship) is to make sure you pay your registration on or before April 15 in order to ensure the loyalty clause. Delayed payments are automatically subject to the new fee rate mentioned below.** I reiterate again to returning parents that if all SUFS fees are not up to date by June 1st your student's spot will not be saved for the 2022-2023 school year.

A decision has been made to keep the same fee for this year being cognizant of the hardships due to the pandemic. The registration fee is \$100.00 per family by April 15, 2022. If you register after April 15, the registration fee is \$125.00 per family and monthly fees will be \$100.00/month for one child and \$20/month for each additional child. Please be advised the SUFS scholarship does not cover the actual tuition amount and St. John's must charge these monthly fees to makeup a portion of the difference between the school tuition and the amount paid by the SUFS scholarship.

Again I am thankful to everyone for making St. John's the school of choice and trusting us with the education of your child. Let us continue to work together as we strive to be "A Level Above the Rest".

Thank You.

Sincerely,

Lakshmi Nair
