Summer Reading

All students at St. John's are required to do book reports during the summer. Students may choose 2 books from the attached list.

Attached you will find 2 pages that may be used for the reports. All reports should include the name of the book and the author. The reports need to be 5-10 sentences long, and include a picture that is hand drawn and colored.

For one report your child may choose to do an assignment other than a written book report.

- Make a diorama (shoebox) of their favorite part of the story. Bring to share with the class. Be able to talk about your story.
- Make a painting on posterboard of your favorite part of the story. Be able to talk about your story.
- Make a picture poster of the main characters. Draw and label pictures of the main characters. Be able to tell about each character when you present it to the class.
- Write a poem about the story or one of the main characters. Dress up like your character when you present to class.
- Make up a song about your story. Sing for your classmates.

Please help your child realize that reading should be fun and exciting. Help them become a better reader and develop a life long love of reading. And don't forget to visit the library.

Have a great summer!
