

July 21, 2026

Dear Parents and Guardians,

We are writing to make you aware of a recent personnel change involving first grade teacher Ms. Caballero.

On Monday, July 20, 2026, St. John's Episcopal School received notification from the Florida Department of Education that Ms. Caballero was no longer eligible to teach. Following this notification, we were required to terminate her employment with cause, effective immediately.

While an incident that led to this determination occurred off campus during summer break, we understand that this news may raise questions among our families. Because the matter involved law enforcement, any questions regarding the incident itself should be directed to Miami-Dade Sheriff's Office.

Looking ahead, the school is taking the necessary steps to ensure any responsibilities, including summer tutoring arrangements, are addressed with as little disruption as possible. Families directly affected by any scheduling or staffing changes will receive additional information from the school.

We remain focused on preparing for the upcoming school year and providing a safe and supportive learning environment for every student.

If you have questions about school operations or next steps, please contact me at (305) 247-5445 or nair_stjohns@att.net.

Thank you for your continued trust and support.

Sincerely,

Lakshmi Nair
Head of School
